Re: Kenneth Schneiderman v. Dominick Sartorio, et al.  
Civil Action No.: CV 07-1689 (TCP) (WDW)

Honorable Sir:

This office represents the plaintiff in the above-entitled action.

In response to the Court's request for an update on the status of this action, please be advised that we request that you hold this case in abeyance, as we are proceeding with the related matter under CIV 07-4990 (TCP) (WDW). We believe that our motion for summary judgment will be successful, thus obviating the need to continue with this case. Should the motion be unsuccessful, we would then move to consolidate both that case and the matter filed under CV 07-0484 (TCP) (WDW) with the within matter.

Your Honor's consideration herein is most greatly appreciated.

Respectfully submitted,

WOLFE & YUKELSON PLLC
